

Announcement No. 10, s. 2022

ANNOUNCEMENT

FOR : HEADS OF CONSTITUTIONAL BODIES, DEPARTMENTS, BUREAUS AND AGENCIES OF THE NATIONAL GOVERNMENT, LOCAL GOVERNMENT UNITS, GOVERNMENT-OWNED OR CONTROLLED CORPORATIONS WITH ORIGINAL CHARTERS, AND STATE UNIVERSITIES AND COLLEGES

SUBJECT : COVID-19 BOOSTER IMPLEMENTATION

The Department of Health (DOH), with the National Vaccination Operation Center (NVOC) of the National Task Force Against COVID-19, is pleased to announce that the country has reached a total of 68,380,964 fully vaccinated individuals out of the 90 million target population, or 75.97% of the target population.

While the DOH has vaccinated 68 million Filipinos, there is a need to strengthen the COVID-19 booster deployment as only 13,389,431 individuals or 14.88% of the target population have received their booster dose.

In view of this, the NVOC requests the support of all government agencies in encouraging its officials and employees to get their booster dose to further increase the immunity protection of our country against the COVID-19.

For more information, government agencies may email the NVOC Secretariat at c19vaccineopcen@gmail.com.
