

Announcement No. 09, s. 2016

ANNOUNCEMENT

TO : ALL HEADS OF CONSTITUTIONAL BODIES, NATIONAL GOVERNMENT AGENCIES (NGAs), LOCAL GOVERNMENT UNITS (LGUs), GOVERNMENT-OWNED AND CONTROLLED CORPORATIONS WITH ORIGINAL CHARTERS (GOCCs), AND STATE UNIVERSITIES AND COLLEGES (SUCs)

SUBJECT : 27TH Philippine Agricultural Engineering Week

Presidential Proclamation No. 399, s. 1989, declares the 4th week of April (April 24 to 30, 2016) as "**Philippine Agricultural Engineering Week**". Highlighting the celebration of the **27th Philippine Agricultural Engineering Week** with the theme "**Agricultural Engineers in the Realm of Sustainable Green Technology**", the Philippine Society of Agricultural Engineers (PSAE) shall conduct the **66th PSAE Annual National Convention** and the **13th International Agricultural Conference and Exhibition** on April 24-30, 2016 at **Teatro Ilocandia, Mariano Marcos State University, City of Batac, Ilocos Norte**.

The week-long celebration includes, among others, the conference and convention, exhibits, technology demonstrations, plenary and technical papers presentations on the development and trends in renewable energy and rural electrifications; environmental and waste management; agricultural machinery; equipment and power units; irrigation and drainage; soil and water conservation; postharvest technology, agricultural processing and food engineering; agricultural buildings and structures; agricultural information resources and technology; agricultural instrumentation and control; fishery and aquaculture resources engineering; forest product resource engineering; and related fields.

All concerned government employees particularly **Agricultural Engineers**, are encouraged to participate in the aforementioned event. It is discretionary on the part of the agency heads to allow their employees to attend on official/business time, as provided for under CSC Memorandum Circular No. 43, s. 1993.

The Registration fee is **six thousand pesos (P6,000)** per participant, inclusive of meals, conference kits and other materials.

Further, to commemorate the 27th Philippine Agricultural Engineering Week, all government agencies are enjoined to display/hang in conspicuous place the event streamer (design template attached) from April 24-30, 2016.

For inquiries, you may coordinate with the **PSAE Office** at telefax no. (632) 920-4071 or email: psae1950@gmail.com.

Located in the Northwestern part of Luzon, Ilocos Norte settles on a wide plain between the foothills of the Central Cordillera ranges on the east and the China Sea on the west. The winding and rugged mountain ranges extend to Abra in the south. Its backbone angles steeply toward the southwest and wedges through Ilocos Sur.

Ilocos Norte has various native dances which mostly depict the customs, beliefs and practices of an Ilocano. They are expressions of the characteristics, aspirations and occupations of its music-loving and industrious people.

The province is gifted with picturesque natural sites – beaches, sand dunes, windmill farms, falls, and mountains – to mention some. These sites are accessible with the presence of good road networks that make visitors land on them.

OUTSTANDING AGRICULTURAL ENGINEERS AWARDS 2016

The Philippine Agricultural Engineering Week is celebrated every fourth week of April, pursuant to Presidential Proclamation No. 399 dated 10 April 1989.

The PSAE will celebrate the 27th Agricultural Engineering Week highlighted by the 13th International Agricultural Engineering Conference and Exhibition and the 66th PSAE Annual Convention on 24-30 April 2016 at Teatro Ilococandia, Mariano Marcos State University, City of Batang, Ilocos Norte, Philippines.

The weeklong celebration will include among others the conference, exhibits, technology demonstrations, plenary and technical papers presentations on the development and trends in agricultural engineering and allied fields.

LANGUAGES

The official languages of the conference are English and Filipino.

CALL FOR PAPERS

Interested persons, organizations, institutions companies and other entities are invited to present innovations, new technologies, products systems and best practices in agricultural engineering particularly in the following areas:

- Agricultural machinery, mechanization power, processing, food engineering and renewable energy
- Agricultural buildings, structures, electrification, energy, waste disposal, utilization and environmental management
- Soil and water conservation, irrigation and drainage, water resources management and aquaculture resource engineering

Abstract not exceeding 250 words should be submitted on or before February 28, 2016 to Engr. Alexis T. Belonio at atbelonio@yahoo.com. Each abstract presentation in MS word with Calibri Font 11 will be reviewed and the decision will be conveyed to each author by March 15, 2016. The guidelines in writing and presentation will be forwarded to the author with the acceptance letter. The final paper (hardcopy and CD-R containing the document) must be submitted not later than March 31, 2016. Said papers will be categorized accordingly and will be published in the 13th International Agricultural Engineering Conference Proceedings and Book of Abstracts. Submission of posters is also encouraged for another competition.

REGISTRATION FEE

The registration fee is Php 6,000, \$250 and Php 3,000 for local professional, foreign and PPG participants, respectively.

Payments can be made to Philippine Society of Agricultural Engineers (PSAE), Inc at Land Bank of the Philippines (Quezon City Circle Branch) Current Account No. 0702100321.
